This Reply is being filed in response to the Notice of Allowance and the Examiner's Amendment and is submitted in conjunction with the issue fee.

As the application was allowed with the first Office Action, Applicants request that this Reply be entered as it is merely directed to the formality of removing the parenthetical element numbers from the claims. It also appears based on the Examiner's Amendment that the Preliminary Amendment was not considered. To avoid further confusion, the Preliminary Amendment and Examiner's Amendment are both used as the starting point for this 312 Amendment and only the further
